PERSONAL STATEMENT

I am an MSc in Aquaculture, Environment, and Society with a curiosity about the development of aquaculture, the trade of aquaculture products, and how it is governed in different regions, especially between Europe and the developing countries in the global South. I have a bachelor's degree in Fisheries Resource Management and have worked in both research and industry in fisheries and aquaculture in Vietnam. I have completed the ERASMUS Mundus MSc in Europe and worked on my thesis project on corporate social responsibility (CSR) in aquaculture. Future study interests lie in the sustainable development of aquaculture, working across disciplines to provide innovative solutions and contribute to the global aquaculture trade.

EDUCATION

-
- | | |
|-------------------|--|
| 09/2019 – 08/2021 | <p>MSc - Erasmus Mundus Joint Master Degree in Aquaculture, Environment, and Society. EMMJMD ACES comprises semesters of study at the Scottish Association for Marine Science (UK), University of Crete (Greece), University of Nantes (France).</p> <ul style="list-style-type: none">ACES+ covers a broad range of subjects, including Aquaculture Governance and Society, Environmental Impact Assessment for Aquaculture Projects, Marine Safety Products. <p><i>Title of thesis:</i> Understanding Corporate Social Responsibility Initiatives Across Aquaculture Context: A Case Study of Farmed Scottish Salmon and Vietnamese Shrimp and Pangasius. This is a study combining document analysis with stakeholder interviews. I worked on the project remotely, under the supervision of Dr Franco and Dr Billing (SAMS).</p> |
| 09/2012 – 03/2016 | <p>BSc – Fisheries Resource Management at Can Tho University, Vietnam.</p> <ul style="list-style-type: none">The programme of study included Marine Biology, Fisheries Oceanography, Marine Ecosystem, Marine Biodiversity and Conservation, Monitoring and Environmental Warning, Science of Environmental Management, Exotic Aquatic Animal. |

EMPLOYMENT

-
- | | |
|-------------------|---|
| 01/2018 – 08/2019 | <p>Research Assistant - College of Aquaculture and Fisheries, Can Tho University, Vietnam</p> <ul style="list-style-type: none">Participated in 2-year research project funded by ODA loans from the Government of Japan to access the effects of climate change on capture fisheries in the coastal areas of the Mekong delta, Vietnam. Budget of the project: 40,000 USD.Assisted in planning, training of participants, and the development and management of partnerships with local authorities and fishermen, conducted interviews, oversaw contracts, budget management, going on fishing boats for field sampling, was responsible for data entry and data analysis, and contributed to writing papers. <p>I worked under the supervision of Dr Ha Phuoc Hung (the research leader) with the programme output of 3 papers (Vietnamese) published in Can Tho University Journal of Science. To link to the articles: DOI: 10.22144/ctu.jsi.2020.054; DOI: 10.22144/ctu.jsi.2020.055; DOI: 10.22144/ctu.jsi.2020.028.</p> |
| 03/2016 – 04/2017 | <p>Laboratory Technician – Ba Ria – Vung Tau Shrimp Hatchery, C.P. Vietnam Corporation, Vietnam</p> <ul style="list-style-type: none">Laboratory skills and operating hatchery experience, extraction of DNA and practice of Polymerase Chain Reaction (PCR).Responsible for examining shrimp quality in their early life stages and before selling, live prey (phytoplankton and zooplankton) and environmental parameters. |

EXPERIENCE

-
- | | |
|------------|---|
| 06-07/2020 | Traineeship at the University of Crete, Crete, Greece. |
| 10/2019 | Poster presentation at Scottish Association for Marine Science (UK). |
| 09/2019 | Attended 'Future Workshop' on <i>Enterprising and Innovation</i> at Level 1 (Future Thinker) at the Scottish Association for Marine Science (UK). |

01/2019	Focus group interview – Local fishermen in Soc Trang (Vietnam)
05-07/2017	Traineeship – Service Center Attendant at Vinpearl Phu Quoc Resort (Vietnam)
12/2015	Team leader - Field survey (1 month) - <i>The Financial Effectiveness and Application of Standards in Shrimp Farming</i> in Soc Trang, Vietnam.
03-04/2015	Team leader - Field survey (2 months) - <i>The Impacts of Dams on Local Livelihoods</i> in Ca Mau Peninsula, Vietnam.

COURSES

03/2022	BSRIA E-learning module - Life Cycle Assessment with Durabroads (Score: 35.19/40)
12/2021-01/2022	MOOC - Planning and Management of Marine and Coastal Areas. Marine Education and Communication Network on the Mediterranean.
8-9/2021	GAIN Summer School - Ecological Transition in Aquaculture.
11/2020	Research Ethics Training and Professional Development. The training was provided by the University of Highlands and Islands.

PUBLICATIONS

04/2020	Fishing status and awareness of the impact of climate change to the coastal trawl-net in Soc Trang province. DOI: 10.22144/ctu.jsi.2020.028 (Vietnamese).
04/2020	Fishing status and fishermen's perception of climate change impacts on coastal bag-net fishing in Soc Trang province. DOI: 10.22144/ctu.jsi.2020.054 (Vietnamese)
04/2020	Fishing status quo and awareness of the climate change to coastal gillnet at Bac Lieu province. DOI: 10.22144/ctu.jsi.2020.055 (Vietnamese)

COMPUTER SKILLS

Microsoft Word		openLCA	
Microsoft Excel		R	
PowerPoint		QGIS	

LANGUAGES

<i>Vietnamese</i> - Native language	<i>English</i> - Professional working proficiency
-------------------------------------	---

HOBBIES

Reading nonfiction books and memoirs, playing volleyball, cooking different types of cuisines, and living and working in a multicultural environment.
